PRINCIPAL'S

MESSAGE

Graduates of 1994:

It gives me great pleasure to write these words of congratulations to those of you who are leaving the hallowed walls of Central High School. You have worked hard to reach this milestone in your life and I know that it is only one of many that you will reach as you continue to pursue your goals and aspirations.

The 'life path' that you take from this point on will be one that may be filled with roadblocks, detours, missing signs, and stop signs. You must be prepared for all these traffic diversions and press on in spite of them. The life path will also yield some disappointments, hardships, and heartaches. Press on in spite of them. The life path will sometimes seem to come to dead ends and you must be prepared to turn around, take new paths, and press on in spite of them.

You will read negative reports about the students of Newark, New Jersey, with statistics that may say that there are not enough students graduating from high school that are prepared. Just remember that you earned the right to be called a "Graduate", with all of the rights and privileges thereof.

The Graduating Class of 1994 will always hold a very special place in my heart because you will be the first class that I will certify as graduates as Principal of Central High School. As you go, leave with some 'travel tips':

- * Leave Central High School intending to make a difference in Newark and in this society.
- * Leave Central High School with the determination to continue on your life path, making the necessary travel plans to reach your destination safely.
- * Leave Central High School with the desire to be the best that you can be at whatever you choose to be.
- * Leave Central High School, saying 'so-long', never 'good-bye.'
- * Leave Central High School knowing that you have my continued support, encouragement, and my prayers.

Wherever your road leads and wherever your destination takes you, always look back on June of 1994 as a turning point in your life, not as an end, and make plans to travel throughout your lifetime with the intention of making 'The Lady on the Hill' proud of you.

God bless you all,

A handwritten signature in cursive script that reads "Norma Fair Brown".

SENIOR CLASS OFFICERS

LA'QUETTA FRAZIER
President

Can you remember 1990 when you entered as a freshman? Who would have ever thought that 1994 would come so soon. It has been a culmination of four years of hard work and dedication.

Do you remember all the good times you had when you were underclassmen? Well, those fun times are now over. You are at the peak of your childhood. It is time for you to make adult decisions. You have to make choices that will affect you for the rest of your life.

What you are doing in high school, is going to determine what you will be doing the rest of the days to come, "something or nothing". Many students at Central High always do the right thing. They come to school everyday, attend all classes and do their homework. Then, there are those students who come to school late every day, give their teachers a difficult time, are constantly in the hallways wasting all that time while they could be in their classrooms, learning. You know which category you fit into. You can sort of predict what kind of lifestyle you will have, unless at some point in your life, you make a big turnaround.

When you, the class of '94, enter college, business school, trade school, armed forces or whatever continuing education you choose, that will only be the first step of fulfilling your dreams. When you complete your endeavor, that will be the most important step.

While pursuing your dreams, you are going to face many obstacles. It is up to you to overcome those blocks and be persistent. I know my fellow classmates are strong. So, do not let anyone pull you down.

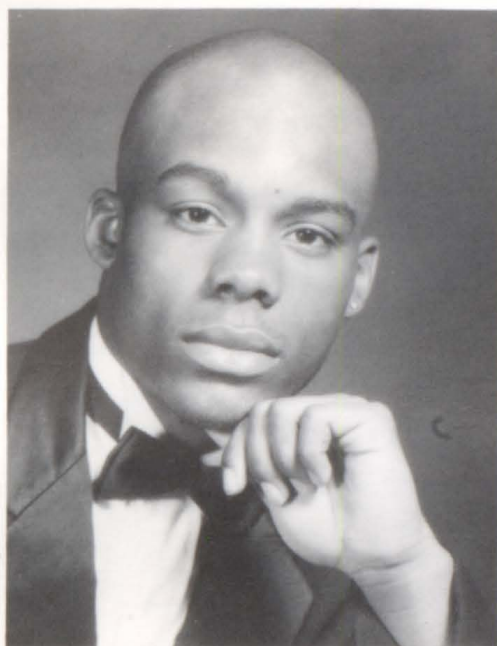

I wish the class of 1994 the best of luck in the future and in all your endeavors. Stay strong, stay away from drugs, stay out of trouble and never stop learning.

Focus On Sports

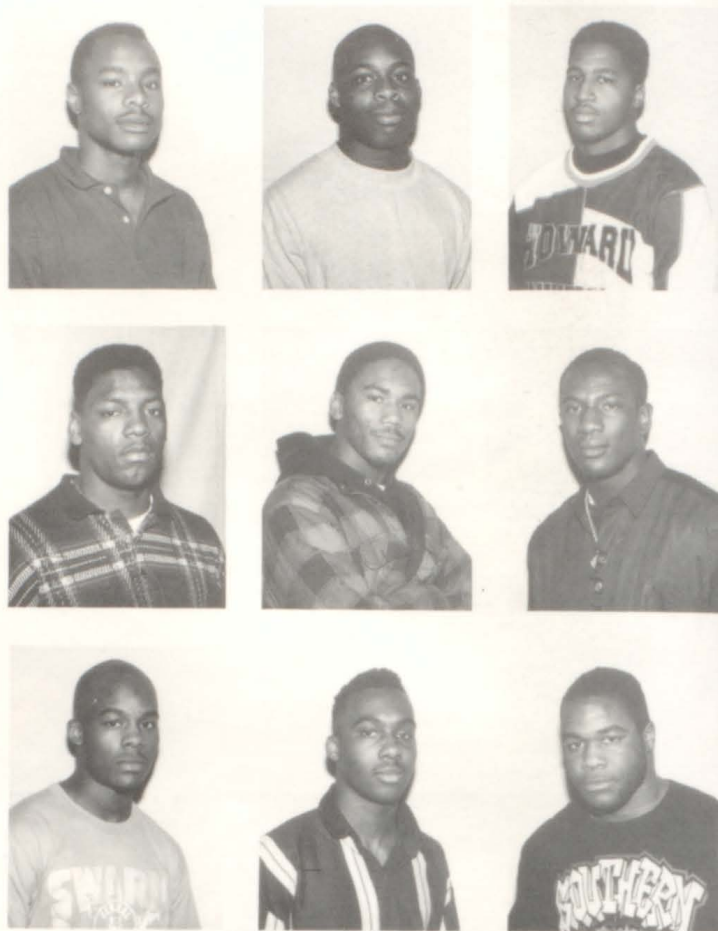

FOOTBALL

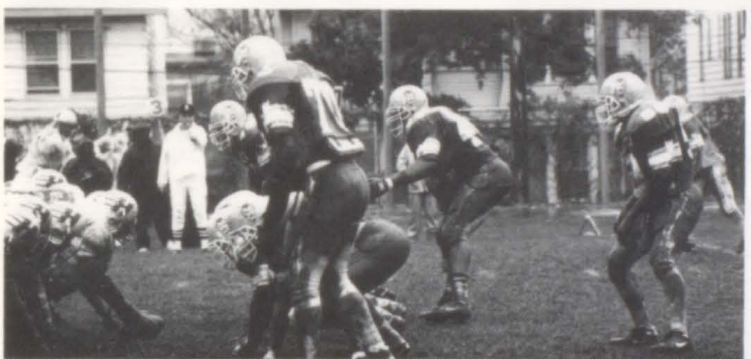

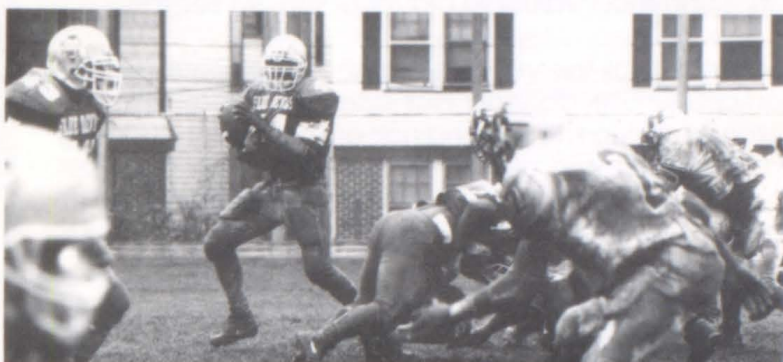

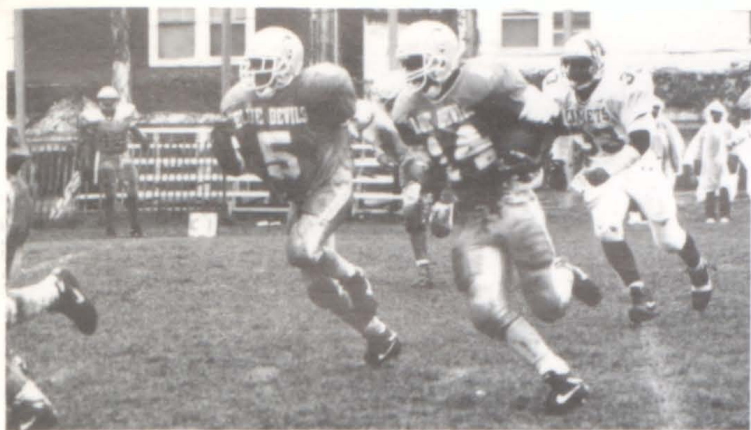

The 1994 Blue Devil Football Season can be summed up by one expression: A profile of courage. Losing two quarterbacks, your offensive guard, Tackle and Tightend proved to be too much for the Blue Devils to overcome. Nevertheless, finishing with a 3-6 record the Central football team still maintained its respectability and presence throughout the conference, county and state.

This year the Blue Devils will graduate eleven of its outstanding student athletes. Eric Roberson, Chad Pennington, Rasheed Jackson, Markee Strickland, Donald Solomon, Romel Solomon, Walter Gooding, Walter Johnson, Leotis Price, Keith Heath and Jesse Sanders.

We sincerely thank all of you for what you have done, as a player, and a leader for Central High School. Your dedication and comment will always be remembered.

Hillside's running back can not escape the intensity of linebacker #62 Donald Solomon. A powerful Central defense gears up to stop Hillside. Talent #14 Romel Solomon breaks away for the first touchdown against Hillside. #43 Markee Strickland breaks away from Hillside's tackler.

SOCCER

The Central High School Soccer Team finished their '93 season with a record of 9-7-1 and were ranked 9th in the county. The success of this year was due to the fine play of its Seniors. Gamaniel Jules, Macles Paul, Jean Baptiste Fritzno, Ronald Frederique, and James Raphael. Gamaniel Jules led the team in scoring with 12 goals and was named to the ALL-COUNTY first team and most valuable player of the '93 season.

The surprise of this year was Sophomore Camara Mo-hamad, whose dazzling ball skills kept defenders off balance during the second half of the season, earning him the improved player award. Next year promises to be another exciting year with the return of skillful players like Wisley Paul, Dameus Ricardo, and Chris-tone Pierre.

TENNIS

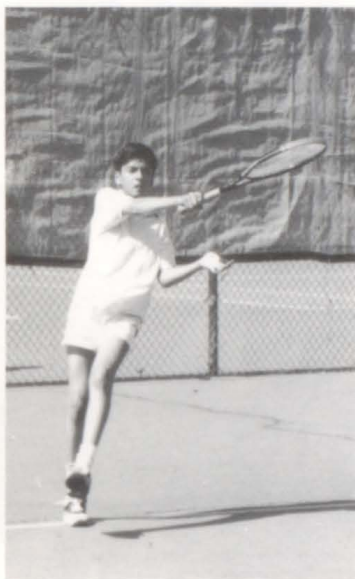

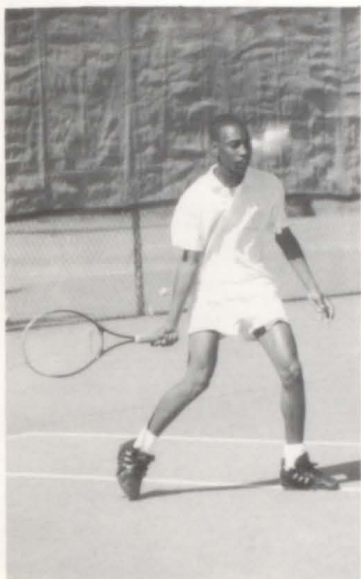

The Central High School Girls' Tennis Team competed in the Mountain Valley Conference for the first time, this 1993-94 tennis season. The girls worked very hard and showed a lot of character, determination and growth. The team ended their season with 6 wins and 8 losses.

The girls are looking forward to next season with the exception of losing the two seniors on the team, Debelin Philbert and Alecia Richards.

The Central High School Boys' Tennis Team ended their season with 7 wins and 8 losses. Not bad for their first year. The boys are looking forward to this season. With hard work and determination they should have a good year.

The team consists of Isreal Ocean, Gerald Martinez, Lenard Willis and Elitios Richmond. In the Mountain Valley Conference the boys placed fourth in the team score but won the 4 x 400 with a time of 3:34. BASKETBALL

The Central High School boys' basketball team, was lead by Co-Captains Jessie Sanders and Omar Durham. The team was in a rebuilding year this season. After losing 10 players from last year's 20-6 team, there were a lot of new faces on the team this season. Among them were Seniors Kareem Motley, Macles Paul, Damon Lindsey, Antoine Bernard, and Juniors Marquis Brinson, Yuself Ismail, Rasheed Sparks, Leotis Price, Qudia Speed, Haleem Washington, Cary Grant, and Al-Tariq Onque.

This season's squad finished two games under 5, but lost one game by 3 pts., one game by 2 pts., and 2 games by 1 pt.

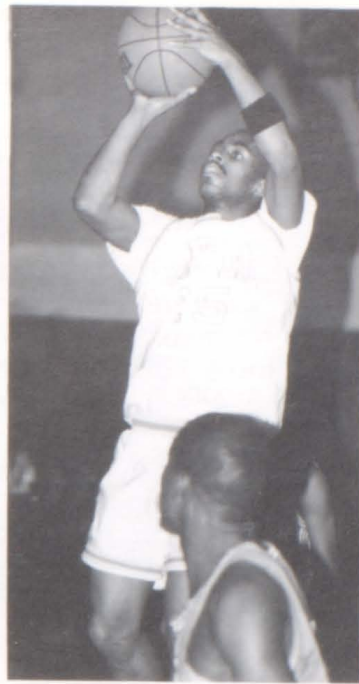

The team was lead in scoring by Yuself Ismail, who averaged 12 pts. per game. The second leading scorer was Jessie Sanders, who also lead the team in rebounding. Omar Durham lead the team in assists with 5 per game.

Although the Blue Devils had a lot of new faces, and lost a few close games early on in the season, we pulled it together and won six out of our last eight games, to end the season on a very positive note.

GIRLS BASKETBALL

Central High school's girls' basketball team did a tremendous job this year. Lead by their thrifty ball handler and shooter Arbatisha Kitchen, averaging 22.4 pts., 6.7 rebounds and 6.3 assists per game, they ended with a record of 16-4. Also their power Center Cassandra McLoughlin, who averaged 15.4 pts. and 14.6 rebounds dominated the Mountain Valley conference over all centers. Laleethea Holland, a transfer student from University High School, came to the conference and massively produced an average of 12.7 points, and 14.8 rebounds, the highest in the MVC. Central's point guard Aminah WazeeraDin was a strong and determined Freshman who averaged 5.4 pts., and 5.6 assists. Last but definitely not least Central's senior, small forward Lyneshia Jefferson, who is an outstanding leaper, averaged 9.6 pts., and 11.7 rebounds. She was a conference leader. Central will really miss her, and her talent. The rest of Central's team members were Tahiesha Eley, Tiesha Bey, Yamesha Sims, Nakia Marshall, Lakera Simmons and Tysiea Gurley. They all made wonderful contributions to the team. We'll be back.

BOWLING

This was another dynamic year for Central's Bowling Team. Every year since the inception of this great team, the players have continued to aspire to higher heights.

Over the past five years Centrals Blue Devils have become worthy competitors who richly deserve praise and recognition for their achievements. This was the first year that we participated in the State Semi-finals. All of the bowlers performed to the best of their abilities. Our outstanding bowlers for the season!

WRESTLING

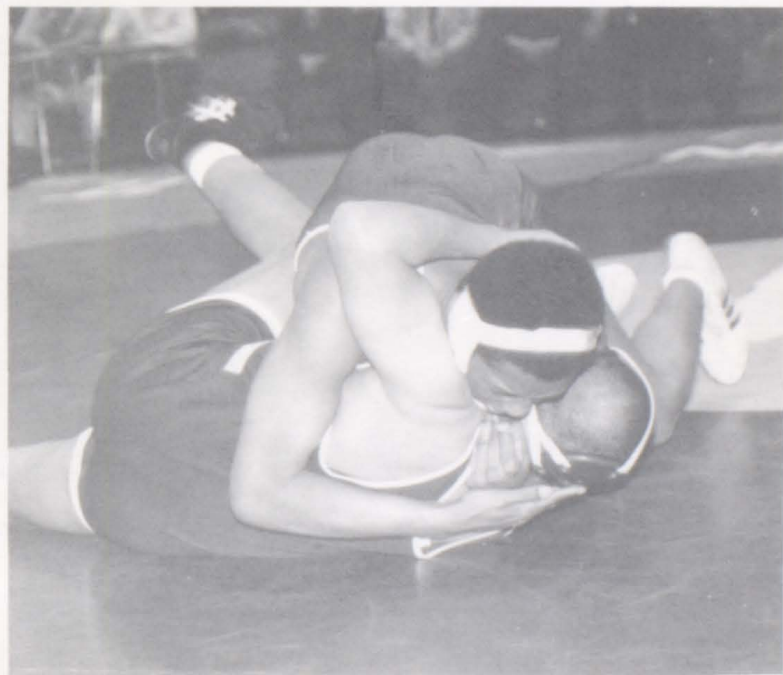

Central's Wrestling Team is younger and has plenty of talent. The only senior member, Co-Captain Kenneth Bunn, placed 2nd in the Watchung Hills Christmas Tournament. Kenneth is a great competitor and a good role model for the future team. Central will improve and will come from rising stars, Wisely Paul, Xavier Cook, Waneson Vertil, Joesph Nicodene, Bernard Fenelus, and Heavyweight K-Trice Mahoney. Central will look forward to the upcoming season.

BASEBALL

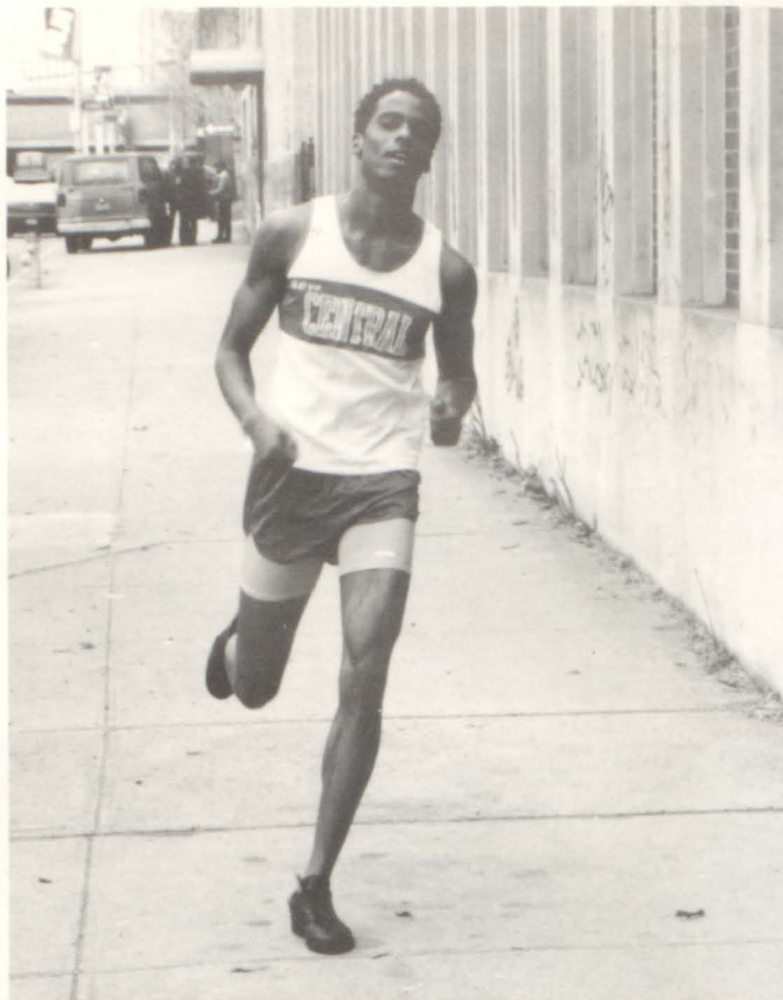

Central's baseball team is back into full swing this year after a rocky start from last year. This squad seems to be capable of going 500% this year. Its two returning seniors are Romel Solomon and Chad Pennington. Returning to the Blue Devil squad is junior Shawn Wright, sophomore Raheem Holloway who had a great season last year and Luis Cordero. Hopefully the Blue Devil Baseball Team will have much success this year.

CROSS COUNTRY
